

Think Global, Think Hong Kong Tokyo, Japan Fact Sheet

1 November 2018 Tokyo, Japan

“Think Global, Think Hong Kong” (国際化へのパートナー：香港) is a mega promotion organised by the Hong Kong Trade Development Council to attract more overseas companies to make use of Hong Kong’s service platform to tap into the mainland and the global market.

This event will bring together business communities from Hong Kong and different economies to discuss developments and trends in the dynamic global market. It will feature a main symposium, a high-level dinner and various sector-specific sessions. Consultation with Hong Kong service providers and business matching meetings will also be arranged.

1 November (Thursday) – Hotel New Otani Tokyo

Main Symposium

Networking Lunch

Concurrent Thematic Sessions and Business Matching Activities

Proposed Themes:

- Renminbi (*co-organised with Hong Kong Monetary Authority*)
- Expanding business to China and ASEAN (*InvestHK as Special Sponsor*)
- Smart Living (*co-organised with Cyberport Hong Kong*)
- Healthy Ageing (*co-organised with Hong Kong Science and Technology Park*)
- Smart City Blueprint for Hong Kong and Hong Kong as a regional hub of Innovation and Technology (*co-organised with Hong Kong Science and Technology Park*)
- From Deal Making to Dispute Resolution: Legal Risk Management for Japanese Enterprises (*co-organised with Department of Justice*)
- Design and Creative Services (*co-organised with Hong Kong Design Centre and CreateHK*)
